

Dear Parents/Careers

This is a letter to introduce you to a new coaching business called ATP Coaching. We are based in Coulsdon offering great opportunities for primary school children in the area. We are offering a number of football sessions based at Smitham Primary school including Saturday morning Sessions and holiday camps. We also offer 1 to 1 sessions at a location suitable near you.

We are now offering football sessions on a Saturday morning. Timings are 9-10 for years 1, 2 and 3. Followed by 10:15-11:15 for years 4, 5 and 6. These sessions are designed to try and improve young people's footballing skill and fitness in a fun environment. Both sessions will be split into 3 separate groups which will start as year groups but there will be opportunities for your children to progress into the higher groups if we see potential there. Sessions will cost £5 per session and are charged termly.

We are also offering football holiday camps starting in October half term. The focus of our camps are for the children to develop their footballing skills through multiple fun games, fun drills, competitions and matches. Whether your child is just starting out or has been playing football for a long time we will make sure that they are challenged based off their ability and that they have a great time. The holiday camps will run between 9-3. These camps are starting out solely as football camps but we are looking at the possibility of introducing a multisports camp also. Camps will cost £16 a day if you book the full week that is offered and £18 for individual days.

All sessions are ran by FA qualified coaches that are DBS checked.

For more information on what is available and for any updates please have a look at our website and follow us on social media which are listed below and for any queries feel free to contact us:
