

### Mathematics:

During this half term, we will revise the areas of maths that we have visited over autumn term and start to learn about measurement.

- Place value
- Addition and subtraction
- Comparing and ordering
- 2D and 3D shapes

#### How you can help:

- continue to practise adding and subtracting
- practising naming the months of the year and days of the week in order
- counting in 2's, 5's and 10's.
- going over the spellings for the numbers one to fifty.
- practise finding one and ten more or less than a number within 100.
- Play free maths games that are provided on GC.

### R.E.

Our topic for this half term is the key beliefs of Judaism and how these are applied to daily life. We will also look at how key practices, values and ideals influence and underpin behaviour and attitude.

### P.E.

We will be teaching PE twice a week. Please make sure your child is wearing their PE kit to school. We will continue with daily dance videos.

Monday - Fitness with coach T

Thursday - Miss Turley

### History:

We will be learning about Queen Elizabeth II who has ruled longer than any other monarch in the UK.

# Bright Lights, Big City

## Year One

### Wellbeing

We will continue with our weekly wellbeing tasks and PHSE lessons about coping with different emotions using the zones of regulation. We will also learn about how to keep safe and how to take care of living things.

### Geography:

The children will be learning about the United Kingdom, the city of London and about its famous landmarks.

### Literacy:

Children will be creating their own information posters about Queen Elizabeth II. They will be writing lists, labels and captions. Children will develop their topic vocabulary and learn how to present information concisely. Children will also be learning how to write a set of directions from one landmark to another.

Y1 will be focussing on building language, vocabulary and grammar. We will continue to work on practising correct letter and number formation.

### Phonics and reading:

It is vital for your child to be reading **every day**. The reading planet colour banded books will reinforce children's learning and knowledge of phonics.

### Art :

We will be creating our own motifs and we will be exploring line, shape, texture and collagraphy.
