

Butterfly Project May 2024 Update

Dear Friends and Supporters,

The Butterfly Project committee are delighted to share with you that we have raised **£35,000** towards the **new** target of **£45,000** to fund the building of an additional learning space in the playground situated next to the PE shed. We have an updated target to allow for additional building and fit out costs.

The building will be multipurpose and will enable small group teaching to be carried out. This is our way of continuing and building on Mrs Mitchell's legacy and reflects her passion for inclusion and supporting a wide range of special educational needs provision such as sensory breaks, dyslexia tutoring and counselling.

The recent Butterfly Ball raised a staggering £7,000 towards this target. The Friends have agreed to pledge a further £17,000 from resources in hand. We now need your help to raise the final £10,000. If you are able to help then please do get in contact with us. All details can be found here:

In addition you can also Gift Aid any donation you are able to make:

[Friends of Coulsdon CofE School Donation Form](#)

We are hoping to be able to start work, and build this lasting legacy to Mrs Mitchell, as soon as the funds are raised and the necessary planning is approved by Croydon Council. We hope this will be in 2024!
