Christmas CRAFT PACKS

A great opportunity for children to make a
homemade gift for parents/carers/grandparents,
or to keep them occupied on Christmas Eve.

Buy for
friends and
family
children too!

As the Friends are unable to run craft sessions at school this year, we have put together some Christmas Craft Packs for the children to enjoy at home.

Each pack will include:

- 4 fun, festive activities
- a treat cup
- additional craft materials

The teachers will hand out the packs to the children in December.

£4 per pack
