

# COULSDON CHRONICLE – WEEK 26 – MARCH/APRIL 2021

## Notes from the Head Teacher

Good Afternoon!

We have come to the end of week 3 of the full return to school, and these 3 weeks have passed so quickly. The children have got back into the rhythm of school life again, but are now showing signs of tiredness....

Thank you to all those parents who joined our Well-Being/RSE Information session and Zones training this week. We are planning to offer another Zones training session in April as some parents were unable to join us on Wednesday. Thank you also to Mrs Newsome and Mrs Lee for leading the presentations.

Have a fun, peaceful weekend, and we'll see you all on Monday.

Mrs Mitchell

## Local Clubs & Events

Just a reminder to all parents that we regularly receive information from local clubs and organisations advertising their out of school activities for school-aged children (and sometimes parents!). We no longer email these home, however, we do place them on the school website under the tab “Clubs – Local Events, Clubs & Activities”. Please feel free to browse the website if you are looking for things to do with your children during the holidays etc.

## Nick Sharratt

We are delighted to announce that we have organised a virtual drawing session for each class with the famous children's author and illustrator, Nick Sharratt. The sessions will take place at the beginning of next term, and we hope this will be a really exciting start to the summer term. Once again, our sincere thanks go to the Friends Committee for funding these sessions for us.

## Attendance

Our whole school attendance for this week was 97.39%

## Reflection

Behaviour modification can help you to live a healthier life. In tense situations tell yourself, “I can't handle everything, but I am in charge of my attitude, and I choose to relax”

Psalm 42:5
