

COULSDON CHRONICLE – WEEK 30 – MAY 2021

Notes from the Head Teacher

Mrs Lee and I had the pleasure of spending time observing the teaching and learning in Reception, Year 1 and Year 2 yesterday. It was good to see how the children have settled well into their class routines and participated in their indoor and outside learning activities. The children were really keen to talk about what they were learning and share their work with us and the other adults in their “bubbles”. We are looking forward to joining Years 3 and 4 next week!

Can I once again stress the importance of reading to your children at home, listening to them read and asking questions about what they have read to ensure they have a good understanding of the content. To support you further with this, we will be holding a virtual reading workshop for parents on 10 June to share information and ideas. Details will follow before half term.

Wishing you all a relaxing weekend.

Mrs Mitchell

Reflection

Dear God, help me to resist the things that would deplete my soul and minimise my strength. Fill me instead with your hope, peace, and joy, so much so that they overflow from me to others.

From: A Little Book Of Powerful Prayers

Attendance

Our whole school attendance for this week was 98.17%

SCHOOL UNIFORM

Just a reminder that when children are wearing school uniform, they should be wearing smart school shoes and not trainers. Also, please remember that plain black fleeces are to be worn as an additional layer, and do not replace the school jumper. Thank you.

School Menu Change

The desserts on Monday and Wednesday next week will be swapped. Therefore Monday's dessert will be chocolate sponge with chocolate sauce, and Wednesday's dessert will be ice cream with fruit wedges.

Price & Buckland

Our school uniform supplier, Price & Buckland, have set a final order date of 1st August to ensure home delivery before the start of the new school term. You can find details of how to order on the school website.
