Coming up Next Week.....

Monday 20th: Reception Group A begin attending full time, and Group B attend for mornings & lunch

Tuesday 21st: Second set of trials for the school football team

Packed Lunches

We would like to remind parents that packed lunches should be as healthy as possible, providing a good balance of healthy foods in large enough portions to satisfy your child's appetite for an afternoon at school. They should not contain fizzy drinks, sweets or chocolate. As with all food brought in from home, please remember that this is a nut-free school and we have several children with serious nut allergies. Please ensure that any products provided do not contain any nuts or traces of nuts. Thank you.

Notes from the Head Teacher

It has a busy but positive second week of the autumn term. The children seem to be settling well into their new classes and it is good to see that so many children have taken up the range of opportunities offered at our extra curricular clubs. There are still some places available for some of the activities so it's not too late to sign up.

Please look out for your children's curriculum letters which were emailed out this afternoon. We are excited to be developing our curriculum further this year where there will be one main termly topic with mini projects running alongside. As before, it will be creative and make cross curricular links where possible to give context and purpose to your children's learning.

It was lovely to have Paul Roberts in school again on Thursday for assembly when one of our Year 1 children commented: "I've seen you on TV" and another asked "Did you fly here?" As you can imagine, it made us all smile but also brought home the impact of the past year on our children who have had to experience such events virtually. Nothing can replace the positivity of gathering together to reflect, pray and sing at collective worship. It certainly lifted our spirits!

Reflection:

Hope anchors the soul

Hebrews 6:19

Parking

We have received complaints about inconsiderate parking outside the Church Hall (Daisy Chain). In some cases, cars have parked blocking the fire exits. Unfortunately, if this continues, we have been advised that parking will be banned completely from outside the hall.
