

# COULSDON CHRONICLE – WEEK 20 FEBRUARY 2022

## Attendance Champions

Unfortunately, the attendance system was temporarily unavailable today, so we are unable to provide you with these figures. Sorry!

However, we can confirm that we've had a very positive end to the half term with no Covid cases this week!

## Number Day 2022

Thank you very much for all of your contributions for our Number Day in support of the NSPCC. We raised over £150 and had a day filled with Numbers and Mathematics. Number investigations took place which really got our brains thinking about numbers in different ways. Measuring Mayhem, Fibonacci Circles/Spirals, "Who wants to be a Mathionaire?", party planning, code breaking and a reforestation project were just some of the activities we did throughout the school. Years 2 & 4 took part in an online workshop with Professor Mike Askew. A great day – thank you everyone! Mrs Bonnick

## Reflection:

“May the God of Hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope”

Romans 15: 13

## Notes from the Head Teacher

Congratulations to Mrs Lee who is expecting a baby in May! We are so pleased for her and hope that all progresses smoothly. We will enjoy having her in school for the next half term before she begins her maternity leave on Friday 8<sup>th</sup> April.

We are in the process of restructuring our Leadership Team to cover Mrs Lee's absence, and we will update you once the plan is finalised.

Have a lovely half term everyone, and we'll see you all on Tuesday 22<sup>nd</sup> February.

Mrs Mitchell

## School Website

Please have a look at the school website for updated information about our curriculum. After half term a questionnaire will be sent out to parents to receive feedback about how to further enhance its use. If you are interested in following our twitter feed please do complete the Google form below:
