5th Place: Year 4 – 96.24%

6th Place: Year 1 – 95.93%

7th Place: Year 6 – 95.17%

Notes from the Head Teacher

Thank you for all the care you are taking around checking your children's symptoms and using lateral flow or PCR tests when required. It is really helping to keep our school community safe.

The children have settled well into their new routines and seem to be enjoying their updated curriculum. I have been popping into classes to talk to the children about what they are learning, their experiences in class and what helps them to be a good learner.

We will be offering all parents the opportunity to pop into their children's classes to see the learning environment and have the chance to talk to their children and staff about the curriculum. A letter will follow.

Coming up Next Week.....

Tuesday 12th: Open morning for prospective parents who will be having a tour of the school

Tuesday 12th: Cross Country competition at Lloyd Park, Croydon for our Year 3 & 4 runners

Wednesday 13th: Year 2 will be visiting St John's church to learn about St John the Evangelist

Reflection:

A verse from the bible shared on World Mental Health day

Father, I bring the pressures that I am experiencing to You. I bring the fears and the anxieties. I bring the sense of isolation and loneliness. I bring the feelings of loss and trauma. I cast all of my cares on You, grateful in the knowledge that You care for me.

Peter 1: 5-7

SPORTS NEWS

Last Tuesday, a group of Year 3 & 4 children took part in a tag rugby training session and mini-tournament at Trinity School. Mrs Bonnick was very proud of how hard the children worked to master a new game, and also of the great sportsmanship they showed during the matches.

On Wednesday, a few of our Year 5 & 6 runners took part in a cross country race at Lloyd Park. They showed great determination and stamina, running a distance of 1600 metres. It's the turn of the Year 3 & 4 runners next week. We wish them well!
