Social Media

We have been alerted that there are some photos of children appearing on social media. Please can I remind you not to share photos online as some children, parents or carers may not be comfortable with images of themselves or their children being shared. There could also be legal or safeguarding concerns. At all events, we do permit photos being taken, but do always ask you not to share them on social media. Can we please ask anyone who inadvertently posted images from school events, like Sports Day or Football and Dance, to take the photos off line. Thank you.

Goodbyes

As the term comes to an end, we sadly have to say goodbye to some of our staff and students.

We thank them all for all they have done and wish them the very best of luck as they move to a new chapter in their life.

To all of you I remind you that as you move on, you take not only God's love and support, but also ours. We say a big thank you to you all and wish you the best of luck in all that you do.

Notes from the Head Teacher

Dear Families,

The end of term is here and I am sure we are all looking forward to a restful break.

It has been a busy year, but also a successful one for our children. I really enjoyed reading the children's reports and finding out about their learning journey over the course of the year.

Thank you to the staff who go above and beyond to provide the children with the opportunities to experience new things and learn new skills. Thank you to the parents who support the school to deliver the opportunities it does. And thank you to the children for being so wonderful and inspirational.

We look forward to welcoming you back on Wednesday 6th September when the children will start another year at Coulsdon C of E School. It will be another year of exciting lessons and wonderful opportunities to help the children grow academically, socially and creatively.

In the meantime, please have a happy, safe and relaxing summer holiday.

Mr Garratty
