## Curriculum Corner – Year 2

In Year 2 this week children have been continuing their Movers and Shakers topic. They have been writing Rosa Parks biographies and learning about Christopher Columbus. They have been practising counting in 2s, 5s, 10s and 3s in Maths. They have also been exploring what they can do if they feel lonely. What a busy week they have had!

## Year 2 & 6 Walk

Year 2 and 6 went out on a local walk to Canon's Wood on Thursday. These year groups are 'buddied' together so it was an excellent chance to develop their relationship with their buddy and get to know them better. The sun shone and they all really enjoyed getting outside. Some of the other classes will have a chance for this adventure next week. Let's hope the sun shines for them too!

## Notes from the Head Teacher

Dear Parents and Carers,

We had a lovely start to the week with our Harvest assembly. Classes all brought a song, a poem or a quiz to offer to God. It was great to see them all so involved in our worship.

It was good to see so many of you at Parent's evening this week. I hope you found it a positive and helpful experience and a chance to discuss your child's progress and see their wonderful work.

Thank you for all your generous donations this Harvest. Purley food Hub were delighted and picked them all up on Wednesday.

We believe that in order to facilitate teaching and learning, outstanding attendance is essential. We are therefore returning to sharing weekly attendance data on our chronicle and would like to work together to reach our target of 98% attendance.

Have a lovely weekend!

## Reflection

This week marked our final week looking at Thanksgiving in worship. We reflected on how we show we are thankful with our words and our actions. We celebrated how wonderful God is.

*"Praise the Lord. Give thanks to the Lord for He is good; His love endures forever."*
