## Reflection

Our theme for the rest of the term is creation. This week we discussed God's creation of the world and considered what being made in God's image means. We reflected that it means being caring, imaginative, loving and creative - which are some of the values demonstrated when God created the world. We also considered how wonderful the world is and thought about how we should look after and cherish it.

***“Then God saw everything that He had made, and indeed it was very good.”***

Genesis 1.31

## Notes from the Head Teacher

Dear Families,

I would like to start by saying a huge well done to all the children in Year 6 for demonstrating resilience and positivity during the SATs assessments this week. All we can ever ask is that children try their best. Every child certainly tried their best and we are extremely proud of you all for your hard work and positive attitude. Thank you also to all the staff and volunteers who helped make the week go so well and supported with breakfast and administration of the assessments. I know the children are now preparing for an end of year show which I am sure will be amazing.

As we announced this week, the postponed SIAMS inspection is now happening on Wednesday of next week. Once again, the inspectors will be speaking with staff, children and parents on the day, as well as observing lessons, collective worship and looking at books. We look forward to welcoming the Inspectors to show them how the community work together in mind, body and spirit to achieve the best outcomes, enabling the children to live life in all its fullness.

Thank you if you have already responded to the questionnaire sent out this week. If you have not yet done so, the questionnaire can be found by following this link:

I wish you all a fabulous weekend.

## Butterfly Ball

It was lovely to see so many parents at the Butterfly Ball last Saturday. It was a wonderful event which raised money to go towards the building of a sensory/intervention room which will benefit all the children in the school for many years to come.

I have heard nothing but positive feedback and it was a delight to see the community come together for such a wonderful occasion. A huge thank you to all those who helped organise the event - it took a lot of time and effort and it was a great success. A big thank you especially for the Friends Committee who work tirelessly for our school and who help make such special community events possible.
