## Online Safety

Thank you to Mr Johnson who delivered a parent talk about Online Safety on Tuesday morning this week. The parents who attended found it very useful, and we will continue to look at how to support families with keeping children safe online. The PowerPoint slides from the presentation will be available shortly under the “Parents” tab on the website.

## Summer Reminders

The weather will hopefully be warming up soon, so just a few reminders for this half term. Please ensure that your child has a named, refillable water bottle at school every day. It is really important that your child remains hydrated throughout the day. If the weather is forecast to be hot and sunny, please apply sunscreen to your child, **before** they arrive at school and provide a sun hat (clearly named) for play and lunchtimes. Please bear in mind that the weather can still be changeable, and provide a raincoat if necessary.

## Notes from the Head Teacher

Dear Families,

I hope you all had a great half term week last week - the children certainly seem to have had some lovely experiences and spent some special time with friends and family. Many recounted some of these events in collective worship when we were considering generosity. We reflected that we are surrounded by generosity and often it is people being generous with their time that makes a huge difference to the lives of others.

Thank you to the families that took part in crazy hair day and made donations to our prize fund. It was wonderful to see so many crazy hair styles and the effort that was put into the day.

I wish you all a lovely weekend.

## Reflection

*‘In all things I have shown you that by working hard in this way we must help the weak and remember the words of the Lord Jesus, how he himself said, ‘It is more blessed to give than to receive.’*

Acts 20:35

## School Charity Day 2025

We will once again be holding a charity day this year, on Wednesday 18<sup>th</sup> June. This is a very special day because it has been led by the children who have voted for charities which they care about. Miss Tansley’s letter, attached, explains what the classes will be doing for this day and how you can support them. This was a huge success last year and we look forward to raising as much money as we can for these important causes.
