## Reading Volunteers

We are blessed with reading volunteers in school who turn up on a weekly basis to hear the children read. The children really enjoy these sessions and reading aloud to an adult really helps their language development and fluency. I would like to thank all the reading volunteers for their hard work and commitment.

## Volunteers

I would also like to thank all the adults who have volunteered throughout the year. Whether it is helping on trips, reading, running events, delivering clubs, or anything else - the time you give makes a huge difference to the school. Your kindness is very much appreciated by the staff and the children.

## Clubs

Due to some late changes re staffing, we will be finalising more clubs in September. Clubs are an important part of our school and we still hope to be running some sports clubs and a Spanish club once we finalise the details.

## Notes from the Head Teacher

Dear Families,

Another year has passed already - it seems to have passed very quickly.

I thank you all for being a part of the wonderful community at Coulsdon and I wish you all a very happy holiday full of fun and rest. We will see you in September.

## Reading in a Strange Place

This summer we encourage you and your children to take part in the National Reading Challenge at your local library; there are prizes for both individuals as well as for school. We would also like you to take photos of the different places you and your children have been reading and email them directly to Miss Bennett: [cbennett108@ccofe.uk](mailto:cbennett108@ccofe.uk)

## Reflection

The community at Coulsdon is very supportive and as some people move on, we wish them luck and hope that the Fruit of the Spirit flows through all that they do in their future adventures.

**"But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control"**

Galatians 5:22-23
