

COULSDON CHRONICLE – WEEK 25 – MARCH 2026

Attendance Champions Week 25

- 1st Place – Year 1: 99.67%
- 2nd Place – Year 2: 99.23%
- 3rd Place – Year 3: 98.08%
- 4th Place – Year 5: 97.39%
- 5th Place – Year 6: 95.52%
- 6th Place – Year 4: 93.37%
- 7th Place – Year R: 90%

Science Week

We are pleased to announce the winners of the Science Fair, as voted for by the parents:

KS1 – Toby (Year 1)

Lower KS2 – Emi (Year 4)

Upper KS2 – William (Year 5)

Congratulations to the winners and all the children who took part!

RNLI Presentation

On Monday the children were visited by the RNLI who spoke at length about water safety. It was a very interactive presentation and we are sure the children got a lot from it. I am sure that if you ask your child, they will be able to speak about what they learned and share some water safety tips with you.

Notes from the Head Teacher

Dear Families,

It has been a great week and wonderful to see some sunshine! It was very bright today with the children wearing the bright colours of the rainbow and I thank you for your kind donations for the Rainbow Raffle. I wish you all a lovely weekend.

Lockdown Drill

The lockdown drill was held on Thursday morning and the children did fabulously. Everyone was calm and stayed in the classes quietly. It was a useful exercise and well worth testing the alarm as we know that there are areas of the school that need looking at to make the lockdown procedure more effective. We will keep you updated.

Year 2 at Fairfield Halls

A massive congratulations to Year 2 who performed at the Fairfield Halls on Wednesday. They committed so much time and effort to rehearsals and performed amazingly on the night. A special well done to the children who took on additional roles in small groups and also solos. All of the feedback has been overwhelmingly positive and the show was enjoyed by everyone who was lucky enough to see it. I have also heard about exemplary behaviour and great team spirit amongst the children - a huge well done to all of the children. A huge thank you too to the staff that dedicated so much time and energy - especially Mrs Jackson and Mrs Bonnick.

Reflection

"Let all that you do be done in love."

1 Corinthians 16:14:

Year 3 Trip to The Natural History Museum

Yesterday, Year 3 enjoyed an amazing day out to the Natural History Museum in London where we were engrossed in a world of volcanoes and Earthquakes. We took part in a interactive workshop where we learnt about different volcanoes and discovered why earthquakes happen. As we immersed ourselves in the displays around the museum, we were fascinated to see the casts of humans and animals that had been covered in ash during the eruption of Mount Vesuvius in Pompeii in the year 79AD and also see Mount Merapi, the setting of our English text, in bright, bold images. On the way home, a member of the public told Mrs Patel that she had been on the train with us to and from London and she commented 'You should congratulate yourselves on having such a lovely, well-behaved class'. Such a lovely end to a wonderful day out.

PINS Project Survey

If you have not already done so, please take a few moments to complete the PINS Project Survey (please see link below). This will close on Wednesday 25th March. Please see our email dated 10th March for more information. Thank you.
