Arts Evening

We had our KS2 Arts Evening on Tuesday and I can honestly say it was amazing. The children, who had spent time creating and practising their acts, all performed with confidence and real talent. The variety of talent was incredible and we were treated to singing, dancing, instrumental performances, magicians and puppeteers - all of whom were fantastic. I must also thank Mr Johnson and Mr Edwards for compering the evening which added additional fun to the event. Thank you to the parents who worked with the children to organise and run this event. A special thank you goes to Francesca Mitchell, Lucianne Mitchell and Alex Bennett who gave so much time and energy to make this event a success. Please see the photo page attached.

Notes from the Head Teacher

Dear Families,

It has been a busy week this week and you can read about some specific events below.

I would like to wish the parents taking part in the London Marathon on Sunday the best of luck and a very happy weekend to all.

TCS Mini Marathon

The children have begun their mini marathon challenges with Mr Lampard and are making a huge effort - well done. We were also lucky to have a visitor today who spoke to the children about the origins and importance of the London Marathon. The children especially liked seeing the medals and I hope have been inspired and encouraged to exercise more.

Year 1 Trip

On Thursday, Year 1 went on a trip to London to see some of the landmarks they have learned about. It was great for the children to see the buildings in real life, they particularly enjoyed the Monument and were amazed by the size of the Shard! We were also very lucky as whilst having lunch with a view of Tower Bridge, the bridge opened! A huge well done to all the children for their excellent behaviour throughout the day. I must also say a big thank you to the parent volunteers for accompanying the class and to Miss Tansley for organising the trip.

Netball

Last Friday our netball team played in the Croydon finals. They didn't win overall, but worked incredibly hard to reach the finals and played with great teamwork and enthusiasm. The competition was strong and we congratulate them for doing so well.
