### Reflection

In Monday's collective worship, we discussed who we rely on and who relies on us. Who can we rely on to cheer us up if we are sad? Who will help us if we struggle? Who will listen if we need to be heard? Also, can people rely on us if we are needed?

“For I am the Lord, your God, who takes hold of your right hand and says to you, Do not fear, I will help you.”

Isaiah 41.13

### Bradmore Green Library

Please remember that the library is now a privately owned business and the grounds surrounding it are to be used solely by them. Please remind your children to be considerate of our new neighbours after school.

### Notes from the Head Teacher

Dear Families,

It has been lovely to return to work fully this week and although the healing will take some time, thankfully I am on the mend. It has been wonderful to see the children so engaged in their learning throughout the school, and to see them so enthusiastic in their lessons. Thank you for your ongoing support at Coulsdon C of E. I wish you all a lovely weekend.

### SATs

This week has been SATs week for Year 6, and the children have been wonderful. All we ever want is for our children to do their best and this week they have certainly done that by showing a great attitude and applying all of their knowledge and skills under the test conditions. I would like to say a big well done to them. As a reward they have travelled to Chessington World of Adventures today where I am sure they have had a great day.

I would also like to say thank you to Miss Bennett and the teaching all of the adults who volunteered their time to help the assessments run smoothly. We could not have done it without them.

### The May Ball

Unfortunately I couldn't attend the May Ball this year, but I have been told that it was a great night, enjoyed by all. It's a really special event which not only raises money for the school, but also brings the community of parents together. I must say a huge thanks to the Friends Committee for organising such a successful evening.
