After School Club

Our fabulous after school club is now available five days a week. The children who attend really enjoy spending additional time with their friends, having a snack and doing some fun activities. The sessions can be booked in advance or on an ad-hoc basis - please contact the school office for further information.

Year 3 Roman Visitor

On Thursday, Year 3 had a visit from 'Sir Teachalot', a Roman soldier, who taught us all about life in the Roman Empire. We used artefacts, drama, roleplay, dressing up and storytelling to bring history to life! We looked at what Roman invasion was like and were able to dress up in the armour of the Romans and Celts. We took part in a dramatic retelling of the story of Boudica's Revolt, learnt to drill with sword and shield following instructions in Latin and engaged in a Gladiator fight. We all agreed that it such a fantastic day and we had so much fun we didn't even want to go to bedtime! Please see the photos overleaf.

Notes from the Head Teacher

Dear Families,
The children have returned to school after half term full of energy and enthusiasm for their new learning. I hope they are speaking enthusiastically at home about their new topics and the activities they are completing in school.

I hope you had a nice half term and enjoyed some precious family time. There are now only six weeks left of school and I am confident they are going to be a fun six weeks full of activities which enrich the children's learning and experiences.

Although the weather is undoubtedly improving, can you please still send a rain coat in with the children as we do try to get the children outside even if there is a light rain shower.

I wish you all a lovely weekend

Reflection

I would like to remind you that as a school we are always here to listen and to try to help. If you are worried about your child or are facing some struggles as a family, please reach out.

"Those are dark clouds," said the boy.

"Yes," said the horse, "but they'll move on... the blue sky above never leaves."
