5th Place – Year 2: 96.79%

6th Place – Year 3: 95.56%

(Reception class figures will be included from next week)

Notes from the Head Teacher

Dear Families,

It has been a wonderful first week back at school! The children have returned with such enthusiasm and excitement, and their positivity has been truly uplifting. It has been lovely to see them settling back into routines, reconnecting with friends and embracing all that the new school year has to offer.

Thank you to everyone who came along to our Meet the Teacher evening. I hope you found the opportunity useful and informative, and that it gave you a helpful insight into the year ahead. The Powerpoint presentations have now been shared. As always, if you do have questions please contact the school office to ask.

I wish you all a wonderful weekend.

Important Safety Reminders

Please can I remind all parents and carers of two important safety measures:

1. Please park considerately

Please do not park on the school zig-zags or double yellow lines. These restrictions are there to help keep all of our children safe, and we ask everyone to play their part in keeping the area around school as safe as possible.

2. Please do not allow children to use the play equipment before or after school

The play equipment is not supervised outside of school hours, and we cannot accept responsibility for accidents or injuries that occur when children are using it before or after school. We therefore ask that children do not use the equipment at these times.

Thank you, as always, for your continued support, cooperation and care for our school community.

Prayer Evening at St Johns

A special thank you to Jono for organising a prayer evening on Tuesday at St Johns. It was a wonderful opportunity to come together and pray for our families, our school and, most importantly, our children.

It was particularly lovely to share this special time with our governors, parents and members of our local community. Thank you to everyone who joined us and helped to make the evening so meaningful.

Reflection

“Let all that you do be done in love.”

Corinthians 16.14

Tissues Wanted!

The teachers would be very grateful for any donations of boxes of tissues for the classrooms. Thank you for your support.
