Dear Parents & Carers

28th February 2020

Coronavirus/COVID-19

I am writing to advise you that we are closely following the guidance for schools and educational settings from the Government about the Coronavirus/COVID-19.

To help prevent the spread of germs and viruses, including Coronavirus, Public Health England is encouraging everyone to look after themselves by:

- Always carrying tissues and using them to catch coughs and sneezes
- Binning the used tissue and washing your hands immediately afterwards with soap and water or using a sanitiser gel
- Washing hands regularly and thoroughly during the day, and particularly after spending time in busy public places or after using public transport

If you have any health concerns, or think you may have any of the symptoms (fever, cough, difficulty breathing), please follow the advice on the NHS website or call **NHS 111**.

If anyone has recently returned from the areas listed on the **GOV.UK** and the **NHS** websites, please follow the advice given, and dial **NHS 111** if you are in any doubt. Please be aware that this is an evolving situation, and new information is being shared regularly by the Government via their website and the **NHS** website.

Thank you for your support.

Mrs Annie Mitchell

Head Teacher
