Dear Parents / Carers,

Having met with the Croydon Directors of Education and Public Health this afternoon, I am writing to confirm the arrangements for our school for the next two weeks. As Coulsdon CofE is in the London Borough of Croydon where cases of Covid-19 are increasing exponentially, the school will be open for children of critical workers, those who are vulnerable or have an EHCP. Please complete the attached google form by 3.30 pm tomorrow if you are a critical worker who has nobody to care for your child/children at home. Please do not assume that completing the google form will automatically mean you have been allocated a place.

Public Health Croydon have said today 'Where children can stay at home they should be at home'. This will help to reduce the rate of transmission of the virus.

We will contact you late tomorrow afternoon once we have received all the google form responses.

I know this is a very challenging time for many in our school community, but please remember that we are here to support you and your children. Please do not hesitate to contact Mrs Lee or myself via the school office if you feel there is anything we can do to help. Stay safe.

Kind regards

Mrs A Mitchell
