Dear Parents & Carers,

28<sup>th</sup> May 2021

### **Reporting a Positive COVID-19 Test Result**

Schools are required to monitor any positive cases of COVID-19 until Sunday 30<sup>th</sup> May, so that we can continue to complete our test and trace system. We have prepared a link for parents to complete if their child receives a positive COVID test at any time before 4pm on this date. The responses to this link will be monitored regularly, and if necessary, we will contact you to discuss any issues arising.

We do not need to know if you or your child has been in contact with anyone testing positive, or if you or child has symptoms. **We only need to know if a positive result has been received for any child who attends Coulston Church of England Primary School.**

Please ensure that you do not publicise a positive case on social media. The senior leadership team will manage all necessary communication with the relevant parties.

Please note that the school telephone line will not be manned throughout half term, and the office email address will be monitored infrequently. It is therefore vital that you report a positive test using the link on the attached email.

Thank you for your continued support. We hope that you all stay well and safe throughout the holiday, and we wish you all a very happy half term break.

Yours faithfully,

*Mrs A Mitchell & Mrs F Lee*
