Dear Parents & Carers,

3<sup>rd</sup> December 2021

Following a meeting and strong advice with Public Health Croydon today we have decided to take additional precautions to reduce the spread of COVID in our local community. Since Monday we have not been meeting together for live assemblies and reduced mixing classes in the school hall but now need to take the following actions from next week:

- Restore class bubbles and playground zones until the end of term
- After school clubs will end this week to reduce year groups mixing. There will be no clubs from Monday 6th December 2021.
- Due to the small numbers at breakfast club it will continue to run as we are aware this is short notice for next week. However, if you can make alternative arrangements, this would be very helpful, as it would reduce children from different class bubbles being in the hall together. We understand for some families this may not be possible.

We have also met with the Chair of the Friends Committee this afternoon and have made the decision to postpone the Christmas Discos and Fair. The good news is that Father Christmas will be paying the children and staff a visit like last year and the Leadership team and staff are now planning other exciting ways in which we can bring the joy of Christmas to the children in school. Our Christmas dinner will still go ahead in class bubbles.

Many thanks for your continued support, this is not the way any of us wanted the school term to end.

Yours faithfully

Mrs A Mitchell  
Headteacher

Mrs F M Lee  
Deputy Headteacher
