Head Teacher: Mr Paul Garratty B.Ed (Hons); MA

Dear Parents & Carers,

17th July 2023

Social Media - Instagram

In order for parents to have more insight into life at Coulston C of E Primary, we have set up our own Instagram account which is private and only accessible by families of the children in our school. We previously used Twitter but unfortunately this social media website is no longer compatible with our school website, so we have had to change. The most recent three posts featured on our Instagram account will automatically appear on our school website home page.

Any parents who wish to follow our school Instagram account will need to log onto your Instagram account and request to follow us. We can then accept your request.

Our [Instagram account](#) is @coulsdoncofeprimaryschool

Instagram is a great way to communicate school news, photos, events during the PGL trip, videos and upcoming events and we hope, by using social media, we will further improve communications between the school and our community. We also feel this is a way of further engaging you in your children's daily learning more effectively. Please bear in mind there is no expectation on the minimum number of posts made, but we promise not to bombard you either.

You will need to give your permission for us to use your child's image on Instagram as well as your Instagram account username and we would therefore be grateful if you complete the attached Google form to give or withhold your consent.

We are looking forward to being able to share photos with you and promote the wonderful learning that we do at Coulston C of E Primary.

Yours faithfully,

Mr Paul Garratty

Head Teacher
