Dear Parents & Carers,

20th May 2021

Walk on Farthing Downs

On Thursday 27th May, Year 4 will be exploring Farthing Downs. This trip will support our "1066" class topic as we will be looking at the natural vantage points and discussing whether or not they would make suitable locations to build Motte and Bailey Castles. We will also introduce the children to ordnance survey maps and teach them about some of the key features and how they can be used to help us navigate.

We will leave shortly after registration, and we ask that the children wear their school PE kit with jogging bottoms or leggings and a waterproof coat. Please provide a small backpack or drawstring bag for your child to carry their own water bottle and usual morning fruit snack with them. A change of footwear should be brought to school for the children to wear after the walk.

When we return we are hoping to have lunch in the park, weather permitting, and packed lunches will be provided by Harrison Catering at the normal cost of a school lunch - £2.40. We would be grateful if you would ensure that you credit your child's lunch account for this amount. You do not need to give permission for this trip as it is covered under the local visits permission form which has been signed by all parents.

Please let me know as soon as possible if you have any questions or concerns about this trip.

Yours faithfully,

Mrs K Newsome

Year 4 Class Teacher
