

Different Hair?

Don't care!

To celebrate difference and individuality, a parent has suggested we run this competition. We thought it was a great idea so we would like the children to design a hairstyle (they can let their imagination run wild!) and design it on the image provided. They can use pens, pencils, collage, wool or anything else they like – they can even use the computer/tablet. Prizes will be given for the most creative entries in each year group.

(If your child would like to make a 3d entry, model foam heads can be purchased on Amazon).

Entries should be handed in to class teachers after the Easter break.
