Dear Parents & Carers,

22<sup>nd</sup> May 2026

### International Week

As part of our cultural capital enhancement for our children and to celebrate the ethnic and cultural diversity of our school, community, country and world, we will be holding an International Week from 11th - 17th June.

Each class will be given a country to learn about over the course of the week and will take part in food tasting, art, dance and sporting activities to name but a few. To enhance the week the children are invited to dress in a way that reflects a country of their choice on Wednesday 17th June. This may be national dress, an international football/sports strip or the colours of a particular flag - we are looking forward to seeing a beautiful array of colour and flamboyant outfits!

We hope the children will enjoy the week, that they will enjoy learning about other countries and traditions around the world and be inspired to visit or find out about places they would like to see in the future.

Thank you for your support,

Mrs K Patel  
Enrichment Lead
