Dear Parents and Carers,

29<sup>th</sup> June 2023

### Year 1 Victorian Day

On Wednesday 12<sup>th</sup> July, we have arranged to celebrate the end of our current topic 'School Days' by holding a Victorian Learning Day.

It would be wonderful if the children could dress in a Victorian costume as part of this celebration, however, please don't buy anything additional; the children's costumes don't need to be elaborate or complicated and they will still need to wear appropriate footwear as they will be taking part in activities outside, as well as enjoying play times as usual.

Other activities arranged include a drama workshop, facilitated by Freshwater Theatre Company. This will be an integral part of the day. The cost of this has been covered by a generous donation from the Friends of Coulsdon and therefore, there is no additional cost to parents and carers. A themed packed lunch has also been arranged with Olive Dining for that day at no additional cost. Therefore, if your child usually has a school lunch, this will be provided on the day. Please ensure that the children will still need to bring their water bottles as usual to use throughout the day.

As part of the timetable, the children will be also experiencing Victorian lessons, including drill, handwriting and a traditional art activity.

We are looking forward to sharing this special day with the children and hope that everyone will enjoy the various activities that have been arranged, as part of a celebration of their topic.

Thank you for your continued support.

Best regards

Lisa Tansley
