Mrs Anne Hudson BA Hons, PGCE Acting Head Teacher

Dear Parents & Carers,

19th October 2022

Movers and Shakers Dressing-up Day

After the half term holiday we will be continuing our topic "Movers and Shakers". To get the children enthused and excited about the half term ahead and to introduce the children to a wide variety of historical figures we thought it would be a nice idea to have a dress-up day on **Friday 4th November 2022**. We would like your child to choose a historically significant person who has had a major impact on the world, for example Florence Nightingale, William Shakespeare, Rosa Parks, Thomas Edison, Marie Curie, Alexander Fleming. Your child can choose to dress up as any person you feel to be of significant interest. On the day, we will be sharing our knowledge of the significant figures and your child should be able to describe what their person has done to change the way we live our lives today.

The costume does not need to be elaborate - there is no need for you to purchase a costume. A scientist costume could be created by wearing an old white shirt for a lab coat, over normal clothes, with a name badge. You can be as creative as you like!

Please bear in mind that the children will still be going outside for break and lunchtime, so they will need to have appropriate footwear and a coat.

We hope that this will be an exciting start to the second half of the term and look forward to seeing the children's outfits!

Thank you for your continued support.

Yours faithfully

Mrs Bonnick and the Year 2 team
