Dear Families,

2nd February 2024

CGP SATs Revision Books

We are very proud of the children in Year 6 who are working incredibly hard this year and are making great progress.

To help them further we would like to purchase a set of CGP SATs preparation books which are fantastic quality revision books that the children will use both in school and at home. The four books include a Maths Revision book; A Maths question book; an English Revision book; and an English Question book.

The usual retail price of the books is £23.00 for a bundle of four, however as a school we can order them at the greatly reduced price of £8.50.

We are asking for parents to help with the cost of these books and are requesting a payment of £8.50 which can be made on ParentPay in the usual way. Although the books will be used in school and at home, the books are for the children to keep and will be useful revision tools even as they enter secondary school.

We would be grateful if payments could be made by the end of half term week, and the books will be handed out to the children once we return.

Thank you for your support.

Miss C Bennett
Year 6 Teacher
