Head Teacher: Mr Paul Garratty B.Ed (Hons); MA

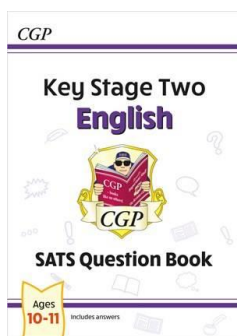

Dear Parents & Carers,

21st January 2026

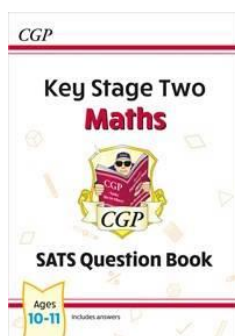

We are coming up to that time of year when we start to think about revision for KS2 SATs which will take place the week beginning 11th May 2026. Whilst we understand SATs are not the only way to assess our children and do not report on all aspects of a child's ability and skills; they are Public Examinations which every Year 6 child nationwide must complete.

A parental meeting will take place on Wednesday 4th March 2026 at 3.45pm in the Year 6 Classroom to explain the process of the SATs and how you can best support your children with preparation for these exams. (If you have other children who have been through this process in the last five years, the Powerpoint presentation from this meeting will be shared on Google Classroom and via Teachers2Parents if you do not wish to attend).

Many of you may already have bought revision guides for your children to work through at home. In school we will also use revision workbooks and would like you to purchase these through school at a hugely discounted price – they will be used as daily homework tasks throughout March and April. There are two essential books we would like you to purchase below at a cost of £6.50 for both. Alternatively, you may wish to purchase the revision guidebooks to accompany the workbooks; these give examples of how to solve problems and key guidance on terminology and practice. If you wish to purchase the guidebooks also, the bundle for all four books is £10.50.

Y6 SATs Question Book
English

Y6 SATs Question Book
Maths

Y6 SATs Stretch Study & Question
Book Bundle

If you have any concerns about purchasing these books, please speak to me in strictest confidence. Please make payment for the books by Friday 13th February on ParentPay so we can ensure they arrive straight after half term.

Many thanks,

Miss Bennett

Year 6 Class Teacher
